

AP PROGRAM

PHILOSOPHY

At CDA, we believe:

- In the importance of stable, consistent child care that makes it possible for a parent to achieve self-sufficiency.
- That parents know their children best and they should have a selection of quality child care options to choose from that meets their family's particular needs.
- In being respectful of the cultural and linguistic characteristics of the families we serve.
- In providing services in a way that is courteous and professional.
- In quality child care services that promote healthy development and growth.
- In supporting the professional child care community.

GOALS & OBJECTIVES

- To provide supportive child care services that will help families reach self-sufficiency and remain off of aid.
- To assist CalWORKs families in transitioning from short term Stage 1 child care services to long term child care arrangements in Stage 2 and 3.
- To establish partnerships with families, which include opportunities for families to receive resources and information on quality child care options.
- To guide parents through the enrollment and ongoing eligibility and need documentation process with respect and empathy.
- To refer children and families to appropriate agencies in the community based on their health or social service needs.
- To partner with the community to best support families and child care providers and to provide information to the community regarding services available through our agency.
- To routinely and not less than once per year, complete a self-review and make necessary improvements to program management.
- To invest in staff by identifying and providing training and professional development opportunities.
- To support child care providers by providing information and making timely and accurate reimbursements.
