

What would you do with an extra \$2,000?

The federal Earned Income Tax Credit (EITC) and state CalEITC, are cash-back tax credits for low-income working families and individuals, particularly those with children. Families may receive hundreds, and sometimes thousands, of dollars between these two credits! That's money you can use for rent, school tuition, utilities, groceries, and other important expenses. You may be eligible if you:

- Have never claimed the credit
- Have children ages 6 or under
- Earned less than \$30,000
- Are self-employed
- Your family income does not require you to file taxes
- Are 65+ years old
- Are a young adult between 18-24 years old
