During COVID-19

CDSS-Pandemic EBT

Due to Coronavirus (COVID-19), children who are eligible for free or reduced-price meals at school will get extra food benefits. These food benefits are called Pandemic EBT or P-EBT benefits. Families will get up to \$365 per eligible child on their P-EBT card to use on food and groceries. Families with children who get CalFresh, Medi-Cal or Foster Care benefits do not need to apply. Most will get their P-EBT card in the mail during the month of May. P-EBT cards will begin arriving in May, 2020. Families who currently do not receive these benefits but are now eligible, must apply before June 30, 2020.

SNAP Online Purchasing

In response to COVID-19 individuals and families can now purchase groceries online using their EBT card at Amazon and Walmart. Also, if you receive CalWORKs, you may be able to use your cash benefits to make purchases online at Wal-Mart.
