### COVID-19 Update #7 Reimbursement to Providers for Waived Family Fees

CDA has been notified by the California Department of Education (CDE) that funds from the *Federal Coronavirus Relief* fund have been allocated to cover the cost of waived family fees from September 2020 – June 2021.

What this means:

- Providers who had to absorb waived family fees in the months of September, October and November 2020, will receive a positive adjustment from CDA.
- The adjustments will be made in the month of December 2020.
- Adjustments will be issued via direct deposit or check and will be reflected on each provider's Explanation of Payment (EOP).
- Family fee waivers remain in effect for families who are sheltering in place for a full month or whose provider closes for a full or partial month due to COVID-19. Please see **COVID-19 Update #6** for the full guidance on family fee waivers.
  - For those families whose fees are waived, providers **will no longer** have the waived family fees deducted from their payments as of January 2021.
