

The San Diego County Office of Education (SDCOE) and YMCA Childcare Resource Service (CRS) invite you to:

SDQPI Quality Journey Orientation

Learn about how you can participate in the San Diego Quality Preschool Initiative (SDQPI), San Diego's Quality Rating and Improvement System (QRIS).

YMCA CRS and SDCOE have teamed up to help you integrate key quality practices into your early care and education program. Together we implement SDQPI, with support from First 5 San Diego, the California Department of Education, and First 5 California.

SDQPI is a robust quality rating and improvement system, based on the state's model.

The SDQPI Quality Journey is designed to help you continually improve the quality of your programs and achieve high quality ratings within that system; and we are here to support you along the way.

Please note that this is an information session and NOT a professional development workshop. This event is intended for agency administrators, directors, Family Child Care Providers and Family Friends & Neighbors.
