

Get Automated Reminders

Did you know... CDA uses an automated reminder system to remind you of important dates!

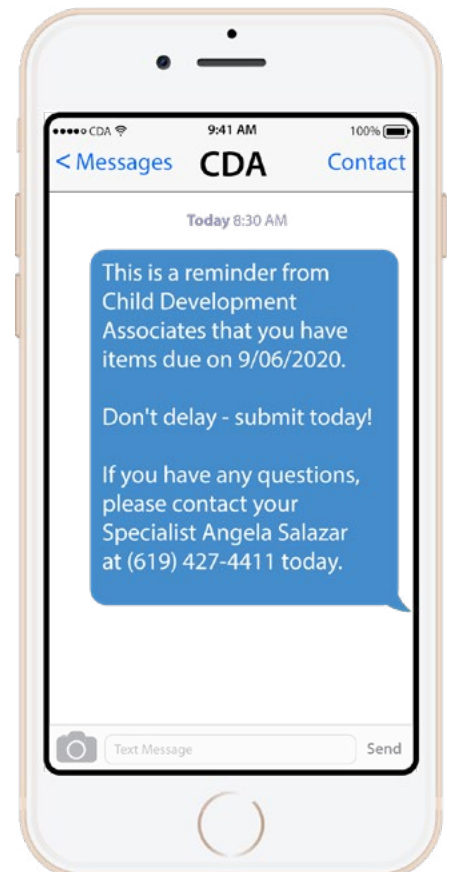

For each reminder, automated attempts will be made in the following order until a message goes through:

1. Email
2. Text Message*
3. Phone Call

Don't miss a reminder! Here are 2 ways to make sure you receive messages from CDA:

1. Be sure we always have your current email address and phone number.
2. Add us as a "Safe Sender" or to your Whitelist so that our email messages don't end up in your junk mail. For a step-by-step email guide, visit: http://bit.ly/CDA_SafeSender

For questions or to update your contact information, please contact your Specialist.
