

## A Healthy Start For Life!

## Good Nutrition Pays!

As a licensed family child care home or registered TrustLine child care provider on the CDA Nutrition Program, you will receive reimbursements to help cover the cost of the healthy meals you serve. We'll teach you how to plan and serve meals that meet USDA standards for nutrition. You'll gain access to a full-range of nutrition education services, plus training opportunities and meal planning tips regarding child nutrition, recipes, and food safety tips!

## Serve Healthy Meals and Get Money Back

Healthy Meal Options

Monthly Reimbursements

Personalized Support

## CDA Nutrition Program is the Largest in California

The CDA Nutrition Program has been serving the child care community since 1984.

In partnership with the Child and Adult Care Food Program (CACFP) we ensure that children receive the best nutrition to grow up healthy and develop nutritious eating habits for life!
