Fiscal Year 2022-23 Program Update #9- AB 179 One-Time Provider Stipends Update

What is happening?

CDA has received an update from the California Department of Social Services (CDSS) on the AB 179 One-Time Provider Stipends. Click [here](#) to see the message from Lupe Jaime-Mileham, EdD, Deputy Director.

CDA is prepared to initiate payment of the stipends as soon as we receive the funds from the state to eligible providers who have completed the required [ARPA Survey](#). If you provided child care in April 2022 and received reimbursement please be sure to complete the required [ARPA Survey](#) if you haven't already done so.

If you have any questions regarding the [ARPA Survey](#) please contact CDA's APRA Survey Team at (619) 427-4411 ext. 9101 or ARPA Surveys@cda.org.
