Summary of Changes
Program Guidelines Addendum #1

As policies change, as required by state law, regulation or per guidance of the California Department of Social Services (CDSS) CDA updates the Nutrition Program Guidelines. The Nutrition Program Guidelines are the written materials that inform providers of the policies and requirements of participation on the CDA Nutrition Program. Providers should familiarize themselves with this addendum to Nutrition Program Guidelines and contact their Specialist if they have any questions.

Below is a summary of policy updates effective August 28, 2026 included in the Program Guidelines Addendum #1 attached.

Reimbursement Rate

Tier 1 and Tier 2 reimbursement rates have been updated, effective as of July 1, 2026 – June 30, 2027.

This institution is an equal opportunity provider.
